

## **KIDNEY CANCER RESEARCH SUMMIT SPEAKER PERMISSION #KCRS20**

### **GENERAL INFORMATION**

The Digital Signature included in the KCRS upload center provides the authorization that will allow us to make your presentation(s) and discussion available in the #KCRS20 Virtual Meeting and to provide that video along with any slides you choose to provide on the KidneyCAN KCRS website for later viewing. Panel members and moderators whose video image will be recorded are asked to also formally agree to having their video and comments included on the KidneyCAN website.

### **AUTHORIZATION**

We need your authorization as part of submitting your presentation of work at the #KCRS20 Virtual Kidney Cancer Research Summit. To indicate your agreement to the terms of this Authorization please review and sign as indicated. Please let us know immediately if any of the terms are a problem for you. If you have questions about terms, please discuss with [Bryan.Lewis@KidneyCAN.org](mailto:Bryan.Lewis@KidneyCAN.org).

### **PRESENTATION CAPTURE INFORMATION**

One of KidneyCAN's goals is to ensure that the information you present is available to other researchers, clinicians, and patients with an interest in kidney cancer research. In addition to the prerecorded presentation you provide, there will be video capture of discussions related to that presentation. Your presentation, and if applicable the discussion, will be made available live during the meeting. The recordings and the session discussions will be hosted on the KidneyCAN website or included in promotional videos.

For presenters, providing a PDF of your slide set is optional but encouraged. If provided, the PDF of your slide set with appropriate credits will be available on the KidneyCAN website.

KidneyCAN agrees that by obtaining copyright to any recording of your Virtual Meeting presentation(s), it does not obtain ownership of the copyright in the slides or written material used or presented in connection with your presentation. We understand concerns you may have about presentation of unpublished research, so consider carefully which materials you wish to present. For many journals, conference presentation is not considered prior publication. We encourage you to be familiar with the publication policies of the journals in which you might wish to publish. You are required to obtain appropriate written permission for copyrighted information or materials that you include in your presentation, and, if applicable, HIPAA releases for patient information.

### **General Authorization:**

- You authorize KidneyCAN to record the discussions at #KCRS20.
- If you provide a presentation recording to KidneyCAN for use at #KCRS20, you agree to the use of that recording at the #KCRS meeting, and for that presentation to be hosted and displayed on the KidneyCAN website. These recordings may be used for promotional purposes, or to be shared with other kidney cancer organizations for educational purposes.
- KidneyCAN agrees that by obtaining copyright in the recordings of your Presentation it **does not** obtain ownership of the underlying copyright. KidneyCAN appreciates that you may publish these Written Materials elsewhere at your discretion, but is not responsible if the rights granted to KidneyCAN in this Authorization preclude any such publication.
- KidneyCAN may promote the Presentation, the recordings of the Presentation, and/or the Written Materials, as well as KidneyCAN programs and services, with notices, announcements, advertising, and other promotional material. So long as such promotional materials are fair, accurate, and professionally presented, KidneyCAN may use your name, job title, voice, likeness, and recognizable features in such promotional materials.
- In addition, you confirm that any information, pictures or other materials that you provide for use in any announcements or other promotional
